A superb range of Dark Age figures with innovative individualised figures. The Arabs and Turkish cavalry have been specially prepared by a new method to have different faces, helmets and shields to provide individualised figures of the same kind. This gives 20+ different Arab spearmen for example. Thus each pack of a figure is likely to be different providing you with forces with an authentic individuality.

This range is suitable for use with all table top rules covering this period, for example, WRC Ancients (3000B.C. - 1250A.D.) as well as role-playing games set in this era, such as Heroes. The figures are also ideal for Fantasy role-playing games. — MORE AVAILABLE SOON
